FREQUENTLY ASKED QUESTIONS

How often can I visit with no exam fee?

As many times as you like during your 12-month membership! We want to make sure your furry family is healthy...that's the point!

Is there a waiting period?

No way! Appointments may be made immediately.

Is there a discount if I have more than one pet?

Yes, we are all about family! Additional pets receive a 5% discount off of the membership price for both Silver and Gold plans.

Can I switch to a higher plan?

Yes, and depending on your pet's health, it might make sense to do it! Increasing to a higher level simply requires paying the difference between the two tiers, and it's good until the anniversary date of the original plan purchase. Membership fees are good for 12 months from the date of purchase, but are not refundable after registration or upgrade.

What about my Paw Points?

Still good! Members are still eligible for 30th Street Paw Points discounts!

Is the membership plan an insurance policy?

No, this plan is a proactive and preventive membership created to keep your pet healthier and happier for longer. Pet insurance is designed primarily for illnesses and accidents.

Can I transfer my membership to another pet?

No. Memberships are non-transferrable.

Can I join for less than 12 months?

No. Each level in the plan includes a full 12 months of benefits so we can check your pet's health whenever necessary.
